**RE: South Carolina Electric & Gas Company**  
**Notice of New Natural Gas Construction Project**

Dear Ms. Boyd:

South Carolina Electric & Gas Company ("SCE&G" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") and the South Carolina Office of Regulatory Staff ("ORS") of natural gas construction projects with costs of \$500,000 or more. See 10 S.C. Code Ann. Reg. 103-412.2.7(A). In compliance with the regulation, this letter serves as notification to the Commission that SCE&G plans to install approximately 15,000 feet of 8-inch steel natural gas pipeline starting at Foxbank Subdivision on S.C. Highway 52 and extending to Gaillard Road in Moncks Corner, South Carolina. The project will serve new residential, commercial, and industrial development in Moncks Corner, South Carolina.

SCE&G anticipates that construction will begin in 2018 and that the total cost of this construction project will exceed \$500,000.

By copy of this letter, we are also notifying the South Carolina Office of Regulatory Staff of the Company's planned construction project.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Matthew W. Gissendanner
